

Highland Football Touchdown Booster Club

2019 “I’m a Hawks Booster!” Membership Levels

Dear Highland Hawks Football Booster Supporter:

Please take a moment to consider becoming a **Hawks Booster!** Being a Hawks Booster Member means you’re helping support a team that is coached by the **2018 AZ Central Coach of the Year, Arizona Cardinals Coach of the Year, and a Don Shula National Coach of the Year Finalist, COACH BROCK FARREL** – and a varsity team that finished the 2018 season:

- **6A Central Region Champions** with an impressive 11-2 record
- **Advanced to the State Semi-final** – losing by ONE point in overtime to a team ranked #21 in the nation.

We hope that you will become a **Hawks Booster** and help us add to our success this upcoming season! We recognize that each situation is different and private. Considering the cost to support 3 football teams and programs, the per player calculation is roughly \$1,000.00. **This calculation does NOT include Coach Farrel’s Summer Camp, or the \$100 Athletic Fee, as those do not come to the Booster Club.** We ask that each family pay what they can afford, and do all they can to help support the team financially and through volunteering. It’s true, “Many hands make light work!” Here are the family membership levels for 2019:
