

Highland Football Touchdown Booster Club

2020 Highland Hawks Family Membership

Dear Highland Hawks Family:

Please take a moment to consider becoming a 2020 Highland Hawks Family Member! Being a Hawks Family Member means you are helping support not only your player, but the team as a whole.

We hope that you will become a Hawks Family Member and help us add to our success this upcoming 2020 football season! We recognize that everyone's situation is different. The cost to support 3 football teams and programs is approximately \$1,000.00 per player. **This calculation does NOT include Coach Farrel's Summer Camp, the \$100 Athletic Fee that is paid to the school, or the cost for the away game held in Utah August 28th.** We ask that each family pay what they can afford and do all that they can to help support the team financially and through volunteering. We believe the saying "Many hands make light work!" WE NEED YOU!
